

PROTEX CERAMIC BRAKE PADS

Protex delivers optimal braking performance when you need it most. Our Protex Ultra quiet pads cover most vehicle applications and our range is made to suit all driving conditions.

- Ceramic formulations for less noise and better stability at all temperatures
- Multi layered metallic shim to minimise vibration
- Scorched surface for easy fit, straight from the box
- Eco-friendly with low and no copper options
- Also available - Select Brake Pads suitable for heavy duty and specialist applications

Comprehensive Warranty

We stand behind our products. With a 12mth/20,000km warranty we offer quality assurance for maximum peace of mind.

Best Range

We have one of the largest range of brake parts in Australia covering 95% of vehicles and an extensive distribution network to ensure availability whenever it is needed.

Total Traceability

Every Protex pad is marked with a part number and batch code for complete product traceability and safety assurance.
