

HIGH PERFORMANCE ROTOR SOLUTIONS.

Protex delivers an exceptional range of high performance brake rotor solutions. Our range covers everything from vintage to the latest models, and everything in between.

- Ultracoat Z360® anti-corrosion coating
- Coated rotors require no cleaning and are ready to fit
- Ground finished and balanced for smooth braking
- High carbon available for performance requirements
- Slotted, drilled and various vane designs

Comprehensive Warranty

We stand behind our quality. With a 12mth/20,000km warranty we offer quality assurance for maximum peace of mind.

Best Range

We have one of the largest range of brake parts in Australia covering 95% of vehicles and an extensive distribution network to ensure availability whenever it is needed.

Total Traceability

Every Protex rotor is marked with a part number and batch code for complete product traceability and safety assurance.
