

# ULTRA ROTORS RANGE.

Protex's Rotors feature Ultracoat Z360® protective enviro coating, precision manufactured for even wear, reduced noise, and enhanced heat dissipation.

## ULTRA

General purpose range to suit most vehicles

## ULTRA PERFORMANCE

For drivers and enthusiasts with a focus on performance and Euro vehicles

### Features

- Ultracoat Z360® protective enviro coating
- Direct OE replacement technology
- OE-based unique pillar designs & construction
- Precision manufactured & balanced

### Benefits

- Superior anti-corrosion protection & quicker fitting time
- Enhanced pedal feel and braking efficiency
- Extended service life
- Quiet performance

### Features

- Ultracoat Z360® protective enviro coating
- Performance-specific high carbon metallurgy
- Computer-aided design performance – Cross drill & slotted available
- Precision manufactured & balanced

### Benefits

- Superior anti-corrosion protection & quicker fitting time
- Optimal high temperature thermal characteristics & recovery
- Specifically designed for high brake force application and demands

# ULTRA ROTORS RANGE.

## ULTRA 4WD

Heavy duty range for 4WD, SUV & demanding off-road conditions

### Features

- Ultracoat Z360® protective enviro coating
- 4WD/SUV specific high carbon metallurgy
- Directional 4WD/SUV 6 slot finish
- Precision manufactured & balanced

### Benefits

- Superior anti-corrosion protection & quicker fitting time
- Heavy-duty thermal performance
  - Towing/GVM upgrade
- Enhanced pedal feel & braking efficiency
- All-terrain suitable braking
  - On-road & off-road driving

## ULTRA SELECT

Various styles to suit a range of less common, imported & specialist applications

### Features

- Precision manufactured & balanced
- Range of hard to find, heavy duty, specialist & classic applications
- Designed with OE features
  - Slots & drilling per application demands

### Benefits

- Correct fit & form
- Restores to OE-like braking
- Enhanced service life, low noise & wear

ALL PROTEx ROTORS HAVE A WARRANTY OF 12 MONTHS / 20,000KM
