

# PROTEX ULTRA TIME-SAVING BRAKE SOLUTIONS.

Get the Job Done Faster with Protex  
Ultra Pads & Rotors

## Protex Ultra Brake Pads Faster, Cleaner, Quieter

- **Pre-Burnished for Instant Performance:** No bedding-in required, ready to perform right out of the box.
- **Ultra-Quiet Performance:** Reduced brake noise and vibration, thanks to our multi-layered metallic pad shim.
- **Cleaner Wheels, Longer Life:** Ceramic pads produce less dust and prolongs pad & rotor life.

## Ultracoat Z360® Rotors Fit Right Out of the Box

- **No Cleaning Required:** Skip the time-consuming pre-installation rotor cleaning and fit straight onto the vehicle.
- **Corrosion-Resistant Coating:** Zinc and aluminum-based coating protects rotors from rust, for longer lasting rotors.
- **Prevents Rotor-Hub Bonding:** Less corrosion between the rotor and hub for easier removal during servicing.

## Why Choose Protex Ultra?

### Save Time

Pre-burnished pads and coated rotors cut down on installation time.

### Enhanced Performance

Designed for smoother, quieter, and cleaner braking.

### Trusted Quality

Backed by over 20 years of expertise and a full nationwide guarantee.
